Education

Year	Degree / Certificate	Institute / School	CGPA/Percentage
2016 - Present	B.E - CSE	Sri Ramakrishna Engineering College	8.79 (Current)
2014	HSC	Krishnammal Ramasubbaiyer School	95.16%
2012	SSLC	Krishnammal Ramasubbaiyer School	98.8%

Area Of Interest

- **Data Structures & Algorithms**
- **Web-Apps Development**
- **Mobile-Apps Development**
- **Process Automation**
- **Data Analysis**
- **Database Management Systems**

Projects

- **Objective Based Analysis**
  Mrs. Rathi G, Mr. Rajkumar
  A Django Web Application to automate the process of Report generation based on student marks, deployed within institute.

- **Online Objective Test**
  Mrs. Rathi, Mr. Rajkumar
  A Django Web Application for conducting objective test and report generation within institute, deployed within institute.

- **Staff Registration System**
  Mrs. Rathi, Mr. Rajkumar
  A Web and Mobile Application to select the staffs for a semester by students based on priority, deployed within institute.

- **Accidental Care - Smart India Hackathon-2k18**
  A Web Application to tract and direct Ambulances to the needed location.

- **Robotic Process Automation - Smart India Hackathon-2k19**
  A Django Web Application to automate the invoice processing process.

- **Hospital Management System**
  A portal for Doctors and Patients to fix thier appointments and get medical recommendations.

- Inventory Management System
  A Web Application to manage the inventory of retail shops and their kind.
- Face Recognition Using OpenCV
  A desktop application that detects and recognises human faces in real-time.
- Obstacle Avoiding Robot
  A mini-robot that detects its path by avoiding the obstacles.

Technical skills

- Programming languages : C, Python, Java
- Web technologies : HTML, CSS, Javascript, PHP, Laravel, ReactJS, React Native, NodeJS, ExpressJS, Restify, Django, Django Rest Framework, Docker, MERN stack, AJAX, JSON, Electron Basic, jQuery
- Database management : mySQL, FireBase, mongoDB, PostgreSQL, Mlab
- Miscellaneous : Android programming, Nginx Hosting, OpenCV, Matlab, NLTK, Tesseract
- Operating system : Windows, Linux

Strength

- Leadership qualities
- Time Management
- Problem solving and Decision Making
- Open Minded, Logical Thinking and Solution Oriented
- Friendly and engaging personality
- Attention to detail, Focused and Motivated

Achievements

- Secured Prices in various intra-school, inter-school, intra-college and inter-college competitions like Coding, Speaking, Debate, Drawing and Painting and Sports.
- Selected for the Grand Finalae in Smart Inda Hackathon 2k18 and 2k19.
- Appreciated and awarded with internship at ITC Infotech Hackathon 2k18

Extracurriculars

- Club : Active member of CSI & FOSS & Quiz club.
- Sports : Runners in FootBall competition zonal level .

Personal Details

Date of birth	16-09-1998
Languages Known	English, Tamil
Address	No 20, Anna Nagar, 4th Street, Kariyapatti, Virudhunagar Dt, Tamil Nadu - 626 106.

PLACE : COIMBATORE   **HESEN NIVAS M**
